# HALE SCHOOL FOUNDATION

## ACADEMIC SCHOLARSHIPS

**Hale School Foundation Academic Scholarships** are available for boys who will be in Year 6 in 2019, entering Year 7 in 2020. Any boy who is in Year 6 in 2019 is eligible to apply regardless of the school he currently attends.

Scholarships immediately attract a fee reduction of 25%. In addition, a 'needs-based' approach to further fee reductions (of up to 75%) will require the School to make a financial assessment of individual circumstances.

A Foundation Academic Scholar retains his title for the duration of his secondary schooling. The remission of tuition fees is awarded for the duration of secondary schooling, subject to satisfactory performance and progress.

The online submission involves a series of questions to be completed by a parent or guardian, and a series of questions for the boy.

Scholarships are subject to submission of school reports on request following the examination process, and an interview with the Headmaster.

### **Year 7 Academic Scholarship examination for 2020 entry**

The examination will be held at Hale School on **Saturday 30 March 2019 from 8.30am to 12.45pm.**
