HALE SCHOOL FOUNDATION

BOARDING SCHOLARSHIP

The Hale School Foundation Brian Clarkson Rural Scholarship is named in honour of Brian Clarkson, a dearly loved teacher and well-respected Head of Boarding who passed away in 2011.

This scholarship is available for boys who will be in Year 6 in 2019, wanting to enter Hale in Year 7 in 2020 as a boarder. All applicants must come from a regional background. As this is a regional scholarship, applicants will be competing with other regional candidates only.

Scholarships immediately attract a fee reduction of 25% of the tuition fee. In addition, a 'needs-based' approach to further fee reductions (of up to 75% of the tuition fee) will require the School to make a financial assessment of individual circumstances.

A Foundation Academic Scholar retains his title for the duration of his secondary schooling. The remission of tuition fees is awarded for the duration of secondary schooling, subject to satisfactory performance and progress.

The scholarship is subject to submission of school reports on request following the examination process, and an interview with the Headmaster.
