NAPLAN results

The National Assessment Programme – Literacy and Numeracy (NAPLAN) tests are conducted in May each year for all students across Australia in Years 3, 5, 7 and 9. All students in the same year level are assessed on the same test items in the assessment domains of Reading, Writing, Language Conventions (Spelling, Grammar and Punctuation) and Numeracy. The 'National Minimum Standard' referred to is a benchmark that is set by the national body responsible for administering the tests.
