* Approximate times only. Please allow for traffic variations.

GENERAL BUS INFORMATION AND CODE OF CONDUCT

Over 300 Hale students catch a bus to/from school each day; it is every student's responsibility to behave in a responsible, respectful manner. To ensure the safety and well-being of all stakeholders, the following points should be followed:

Logistical Information

- Bus times are approximate. Due to differing traffic conditions, times will vary. Be at the bus stop early.
- Ocean Reef / Dianella / Mosman Park / Craigie (Hale School operated buses) use an eTicketing platform through student SmartRider cards. To set up an account refer to the *Portal-Community-Bus Services*. Rides cost \$25 for 10 trips. Public buses operate on normal public transport tariffs.
- Hale School operated buses will pick up/drop off students from approved bus stops and may from time to time make special arrangements at the discretion of the driver. Public buses will pick up students from approved bus stops only.

Code of Conduct

Student use of the buses is a privilege, not a right. Normal Hale School standards of behaviour are expected at all times. The privilege to use the buses will be removed if a student cannot maintain these high standards.

Students should:

- Respect other people and their possessions.
- Follow the directions of the driver and be courteous.

- Respect property, including the buses and shelters.
- Form one line and stand quietly at the bus stop or at school to enter the bus. Junior School students should be at the front of the line and get on to the bus first.
- Junior School students should sit in the first rows of the bus.
- Bags must be on the floor, not on the seats.
- School uniform should be worn correctly, including wearing the School blazer (in winter) and shirt tucked in. The only day Middle or Senior School students should wear sports uniform on the buses is for the House Athletics Carnival. Junior School boys may wear sports uniform on Thursdays when playing sport.
- Speak quietly without unnecessary noise while on the bus.
- Wear seat belts.

Students must not:

- Move around whilst the bus is in motion.
- Eat or drink while on the bus.
- Leave any rubbish on the bus.
- Place feet on the seats.
- Allow any part of their body to protrude out of the bus windows.
- Treat other students in a manner contrary to Hale School expectations.
- Throw any items around the bus.
