

REMEMBERING THE PAST  
BUILDING THE FUTURE

HALE  
SCHOOL

HOW WE ACT AS LEADERS TODAY SETS  
THE BEST EXAMPLE FOR ALL OUR BOYS

DEAN DELL'ORO, HEADMASTER  
WITH THE 2021 SCHOOL PREFECTS

On the 60th anniversary of Hale School's move to Wembley Downs, I am mindful of the generations of past students who have walked the halls and grounds of the campus and who, beyond graduation, choose to continue being a part of this great community.

More than an education, it seems the time spent here at Hale School forges a depth of relationship and connection to community that is so very important in today's world. A reflection of that connection is the ongoing generosity of so many generations of past students, parents and supporters from our community who look to support the next generation of students and beyond.

Support for the School can be directed in many ways. The scholarship

programme at Hale School offers an education to many boys who would otherwise be unable to access such an opportunity. The enrolment of boys from many different backgrounds into Hale School reflects the diversity of our wider community and is of great benefit to the entire school community.

While people make our community, we also strive to offer the best possible learning environment for our boys. The School works to maintain its buildings and resources to the highest standard, and has an ambitious programme of capital projects to ensure we continue to offer the best possible facilities to deliver a 21st Century curriculum.

While school fees cover the short-term and immediate running costs of

our school, aspirational programmes and future capital development at Hale School rely on the generosity of donors. This kind of giving can be transformative, allowing the School to work steadily towards the future objectives outlined in its Strategic Plan.

I encourage you to join with me in supporting Hale's Regular Giving. No matter the size, every gift will make a difference, contributing to a stronger, more diverse Hale School for the future of our boys.

DEAN DELL'ORO, HEADMASTER

## TRANSFORMATIONAL GIVING

Scholarships have the power to be life changing. Financial assistance in the form of scholarships or bursaries assists many families to provide their boys a Hale School education.

Providing avenues for boys from many different backgrounds, cultures and life experience to be educated at Hale School ensures a diversity of enrolment that benefits the whole school.

### **The Hale Kee Bundu Indigenous Scholarship**

The Hale School Foundation is extremely proud to join with the Kee Bundu Foundation (founded by a current Hale family) in creating the Hale Kee Bundu Indigenous Scholarship. This Scholarship covers the full and ongoing boarding and tuition for one of our selected Indigenous Scholars, commencing at Hale School in 2022. We are proud to have the confidence of the Kee Bundu Foundation and to partner with them to make a real difference to the life of one of our students.

This year donors are invited to match the generosity of the Kee Bundu Foundation to fund an existing Indigenous Scholarship. If you are interested in providing an opportunity for a student who would otherwise be unable to afford a Hale School education, please tick on the Indigenous Scholarship link at the end of this brochure to donate!

The scholarship programme at Hale School provides opportunities for Indigenous, rural and international students who would otherwise be unable to afford a Hale School education. Bringing diversity of enrolment to the campus, scholarship support benefits the whole school. If you would like further information about donating to the scholarship programme, please contact the Hale School Foundation at [foundation@hale.wa.edu.au](mailto:foundation@hale.wa.edu.au) or on 9347 0116.

## INSPIRATIONAL LEARNING SPACES

This year Hale School celebrates the 60th anniversary of moving to the Wembley Downs campus. From humble beginnings, a dynamic campus has emerged for our boys to live, learn and play. Keeping apace of new technologies to meet curriculum needs is essential, as is maintaining important parts of our School's history for all future students to use and enjoy.

## FACILITIES MASTERPLAN

Hale has an extensive Facilities Master Plan to manage and ensure that our students and staff enjoy the best possible teaching and learning environment, both now and into the future.

A tour of our outstanding campus and grounds reveals the generosity and support we have received from our community over many years. Construction of a number of world-class learning spaces for our students to benefit from includes the award-winning new Junior School opened in 2019, the Forrest Library opened in 2008 and the Aquatic Centre opened in 2014.

Your generosity will help to make a real difference as we fulfil the aspirations of our strategic plan and enable present and future generations to enjoy and celebrate all that has been achieved throughout our history.

# THANK YOU FOR HELPING TO BUILD THE FUTURE OF HALE SCHOOL

## **Why is giving at Hale important?**

While student fees meet the day-to-day operations of the campus, aspirational programmes that enrich each student's educational experience and build the physical environment for learning, require extraordinary financial support. We welcome all support to help reach the Foundation's goals.

## **Giving today for tomorrow**

Generations of families have contributed to make Hale School the extraordinary community and campus that exists today. To achieve the same for future generations requires today's community to embrace the history of giving that is a part of Hale School's culture.

## **Every contribution counts**

Whatever the amount, your gift will join with all donations to the Hale School Foundation to help further the Mission and Strategic Plan of Hale School. Be it \$10 or \$10,000, a monthly or one-off donation, all contributions go directly to address programmes or capital projects that improve every boy's educational experience, now and into the future.
