Welcome

TO THE HALE GOVERNORS' CONCERT 2021

The Governors' Concert is always a highly anticipated event on the music calendar. For our year 12 boys, it is the pinnacle performance, the final hurrah of their journey through the Hale Music School. For some, this is a journey beginning in Junior School; others have been involved in our programme for only a few years. Despite the length of time, all students have worked hard as individuals and as part of a team to achieve these successes and are excited to be on this stage tonight, sharing their music with you.

Sharing our work through performance is something we are all passionate about. Tonight, we celebrate our most prestigious ensembles, including our collaborations with St Mary's. You will hear some outstanding ensemble playing and singing across a broad selection of musical styles featuring some talented soloists. We are thrilled to present this talented group of young musicians performing such a broad range of genres.

Tonight we welcome back Old Haleians to sing with our Senior Choir in celebration of

the 21st anniversary of Governors' Concert. Singing is a strong tradition at Hale School and we are thrilled to have Old Haleians from 2002 through to 2020 joining us on stage tonight.

We thank you for your support of Hale Music with great warmth and gratitude, whether through drop-offs and pickups for countless rehearsals, reminders to practice, assisting at concerts, or being a member of an enthusiastic and appreciative audience. I also wish to thank my team of diverse, creative, highly accomplished teachers and tutors, and our music administration, technical, facilities and maintenance team, who have provided us abundant support throughout the year.

Please enjoy a fabulous night of music! We hope you see the value of music education in our students' performances tonight; may music continue to be a source of joy and inspiration throughout life.
