## Frequently Asked Questions

HALE  
SCHOOL

### How much are the scholarships worth?

Hale Academic Scholarships for entry into Year 7 are a minimum of 25% reduction in tuition fees. In addition, a needs-based approach to further fee reductions is possible at the discretion of the Headmaster and is based on the individual circumstances of the applicant. Scholarship recipients are also waived the Hale School enrolment fee.

### Do you offer sports scholarships?

No, Hale School does not offer scholarships based on sporting or other co-curricular achievements (with the exception of Music).

### How can I prepare my son for the scholarship examination?

The scholarship examination is not one that should be studied or prepared for. The examination is set at a high Year 6 level, and boys are encouraged to simply try their very best on the day.

### Can I see a copy of a past scholarship examination?

No, we do not supply copies of past scholarship examinations.

### Can I get a copy of my son's results from the scholarship examinations?

We do not distribute the specific results from the examination; however, once all the scholarships have been confirmed and awarded, we will post you a summary of your son's performance. You can expect to receive this summary around June.

### How many scholarships do you award?

The number of scholarships awarded varies each year at the discretion of the Headmaster, but it is usually between five and 10 scholarships.
