TUITION AND BOARDING FEES

The Annual Fee for all year levels is payable in two (2) instalments prior to the commencement of each semester. The annual school fees are subject to change from year to year.

The following fees and charges apply to the 2024 school year:

	ANNUAL FEE			PER SEMESTER FEE		
	TUITION	BOARDING	TOTAL	TUITION	BOARDING	TOTAL

The Boarding Fee includes laundry, but does not include medical fees or medicines supplied, which are charged separately.

A student's enrolment may be reconsidered if the elected instalments have not been paid or acceptable arrangements made with the School. Boarders are expected to remain as boarders for the full year.

The School reserves the right to terminate a student's enrolment at any time for what is deemed by the Headmaster to be unsatisfactory progress or unacceptable behaviour. In such cases, no refunds of fees will be made. Please refer to the Suspension or Expulsion of an Overseas Student Policy.

Hale School complies with the ESOS framework guidelines with regards to the process by which parents can apply for a refund of School fees. For further information, please refer to our Tuition and Boarding Refund Policy which is available on request.

NOTICE OF WITHDRAWAL

Notice in writing at least one (1) full term in advance must be given prior to the removal of a student by parents. In default of such notice, one-quarter of the Annual Fee will be payable.

Boarders are expected to remain as boarders for the full year. Applications for boarders to become day boys during the year will only be considered in exceptional circumstances. Such requests must be in writing and, should less than one full term's notice be given, a fee equivalent to one-quarter of the annual fee may be charged.

CONCESSION FOR BROTHERS

There is a reduction of 5% in the fees of the second and subsequent brother(s) in the School at the same time. No concession will apply to the eldest brother in the School.

EXTRA SUBJECTS AND ACTIVITIES

Fees for extra subjects and activities undertaken beyond the normal curriculum will be charged to the student's account. This includes musical instrument tuition.

Notice of withdrawal from an extra subject or activity must be given prior to the commencement of a semester or the equivalent fee will be charged.

Details of extra subjects and activities available and their costs may be obtained from Administration.

OUTDOOR EDUCATION

All boys in Years 4 to 9 are required to attend an Outdoor Education camp during the year as part of their curriculum. The camps are of varying lengths of time and at different venues, and will cost approximately \$120 per day.

MEDICAL COVER

This is a compulsory government charge and is a condition of a student's Visa. Overseas students must obtain adequate medical cover for the duration of their student visa. Please contact the office for further details.

IT RESOURCES AND DEVICES

All boys in Years 7 to 12 will be provided with a notebook computer compliant with the School's specifications. The \$2,700 cost includes software and insurance and will be charged via a resource levy of \$900 per annum. The resource levy will be charged and payable on the first account. Students who have previously been issued with a School laptop will continue with the arrangement that they entered into. An IT resource levy of \$300 per annum will be charged for students in Years 1 and 2, and \$500 per annum for students in Years 3 to 6. There is no charge for IT resources in Pre-Primary.

PARENTS' & FRIENDS' ASSOCIATION

An annual membership fee of \$75 per family is charged on the Term 1 account on behalf of the Parents' and Friends' Association.

EXCURSIONS

Excursions are included as part of the School curriculum. The extra cost of these excursions are approximately \$300 per year.

TOURS

Tours are optional. It is the School's policy that a student will not be permitted on an overseas, interstate or intrastate school tour if there is an outstanding balance on their fee account.

PAYMENT OF ACCOUNTS

All accounts are payable in advance prior to the commencement of each semester.

Fees outstanding fourteen (14) days after the commencement of a term will attract a fee of \$200 for late payment.

All outstanding accounts are required to be paid in full within 14 days of receiving the final account.

Cheques should be made payable to Hale School. Alternatively, credit card facilities (Mastercard, Visa and American Express) or BPay are available. A credit card fee of 0.75% will apply to Mastercard and Visa and 1.0% for American Express. This represents a reimbursement of the current costs applied to our account by our bankers. Should our bankers increase this fee, then the increased fee will be on-charged to parents adopting this form of payment.

Arrangements can also be made to pay the annual, or future years fees, in advance. These options should be discussed with the Director of Finance and Governance.

GST

If Hale School is required to pay GST, this component will be charged to the account.

INSURANCE

It is strongly recommended that parents check their health and general insurance policies to ensure adequate medical, personal property and liability insurance cover.
