MUSIC CONCERT 2025

HALE SCHOOL

Welcome! Kaya!

Welcome to the first Hale Music concert of 2025! We are excited to present a vibrant and diverse program of music this year, designed to inspire and connect.

Our 2025 season is intended to feature students performing a variety of music in multitudes of ensembles. The Hale Music Signature Series will showcase our premier ensembles, the Masters Series will highlight our emerging musicians, and the Chamber Music Series will shine a light on our diverse chamber ensembles.

Tonight's Signature Series concert is a celebration of collaborative music making by our most senior ensembles. Students have worked alongside music teachers to make an excellent start to the year, building skills, learning repertoire and extending their ability to express the music. We can't wait to show you what we've been working on this term!

Bunuru is the second summer, the hottest and driest time of the year, also known as the "season of adolescence". Our special thanks to Maarli Mamaans, for bringing this spirit to life on stage, sharing their stories and traditions through movement and music. We also acknowledge the artwork by our 2024 Indigenous boarding students featured on the cover of this program.

Your ongoing support as parents, friends and audience is invaluable to the Hale Music community. Thank you for the hearty applause and encouragement right through to our final item tonight. We hope you enjoy the music, and take pride in the achievements of our young musicians.

Director of Music
