MAY

MUSIC CONCERT 2025

Student artwork by: Taj Racey (2022-24)

HALE SCHOOL

WELCOME

The background of the poster is a photograph of a school concert. On the right side, there is a large set of tubular bells (chimes) with many vertical metal tubes. A young boy in a white shirt is visible behind the chimes, looking towards the left. The floor is made of polished wooden planks. In the foreground, there are some black metal stands and a mallet lying on the floor. The overall lighting is warm and slightly dim, typical of a stage concert.

Welcome to the first concert in our 2025 Masters Series, featuring performances from our emerging music ensembles.

Each ensemble performing on stage tonight will present pieces that reflect their dedication and musical journey. The Masters Series is designed to highlight students who are making a commitment to themselves and to their fellow musicians to continue with their good work and progress in music. Whilst each student is working hard to individually develop their skills, the uplifting feeling of success and reward comes from making music and performing together with friends.

We particularly welcome our Year 7 students and new students performing for the first time at Hale tonight. We hope this will be a positive and motivating experience for them and their families.

Thank you for being in the audience tonight. Your support in "showing up" is essential not only to celebrate the achievements but also the musical journey of the boys.

Your ongoing encouragement as parents and friends is invaluable to the Hale Music community. We look forward to your hearty applause right through to our final item tonight.

We hope you enjoy our evening of great music-making!
