

WELCOME! KAYA!

Welcome to the first Hale Music concert of 2026!

We are delighted to open the year with a vibrant and inspiring program that celebrates the breadth of musical experiences.

Our 2026 season features students performing across a wide range of ensembles and musical styles. The Hale Music **Signature Series** showcases our premier ensembles, the **Masters Series** highlights our emerging musicians, and the **Chamber Music Series** shines a spotlight on the rich diversity of our chamber groups.

This year, our concert poster designs are inspired by the timeless charm of vinyl records. Each concert, a carefully crafted “album” meant to be savoured and remembered. We hope you’ll add our concerts to your collection and enjoy returning to the music again and again.

Tonight’s Signature Series concert celebrates collaborative music-making by our senior ensembles. Working closely with their music teachers, students have made an outstanding start to the year - developing skills, exploring new repertoire, deepening their musical expression and simply enjoying making music together. We are thrilled to share the results of their work with you this evening.

Bunuru is the second summer, the hottest and driest time of the year, often described as the “season of adolescence.” Our sincere thanks to Ngookenboro Boys for bringing this spirit to life on stage, sharing stories, culture, and traditions through movement and music. We also acknowledge the artwork by our 2025 Indigenous boarding students featured on the cover of this program.

Your ongoing support as parents, friends, and audience members is invaluable to the Hale Music community. Thank you for your enthusiastic encouragement and generous applause throughout the evening. We hope you enjoy the concert, take pride in the achievements of our young musicians, and let it spin on in your memory long after the final note.

Su-Lyn Chong
